

**Department of Biomedical Sciences
Masters Student Program**

Name: _____ **Track:** _____ **Year Entered:** _____

Course	Credits	Grade	Semester Completed
BMS 500: Molecular and Cell Biology	4		
BMS 504a: Biochemistry	4		
BMS 500b: Molecular Biology and Genetics OR BMS 504b: Biochemistry	3		
BMS 601: Introduction to Biomedical Sciences	3		
BMS 590a and/or b: Laboratory Rotations	1-2		
BMS 665: Journal Club	1-3		
BMS 670: Responsible Conduct of Research	1		
Elective 1	3		
Elective 2	3		
Transfer credits			
Total course credits (22 minimum required)			
BMS 699: MS Thesis Research Credits (14 total required)			

Advisor Approval Form submitted: _____

Thesis Committee formed: _____

Major Field Exam: _____
