

**NEW YORK STATE DEPARTMENT OF HEALTH
WADSWORTH CENTER
CLINICAL LABORATORY EVALUATION PROGRAM
EMPIRE STATE PLAZA, P.O. BOX 509
ALBANY, NEW YORK 12201-0509
Telephone: (518) 485-5378 Fax: (518) 485-5414
E-Mail: CLEPCQ@health.state.ny.us
Web: www.wadsworth.org/clep**

**CERTIFICATE OF QUALIFICATION
CATEGORIES REQUIRED TO DIRECT
CURRENT PERMIT CATEGORIES**

Director Certificate of Qualification Category*	Laboratory Permit Category*
Andrology	Andrology
Bacteriology	Bacteriology –all subcategories Virology – Restricted (antigen detection) Wet Mounts
Blood Banking Collection – Comprehensive	Bacteriology – Other (for bacterial screening of blood components) Blood Services – Collection Blood Services – Collection Autogeneic Only Blood Services – Plasma Processing Clinical Chemistry (limited to ALT and total serum protein) Diagnostic Immunology –Donor Services Serology Hematology –Cellular Hematology Human Immunodeficiency Virus – all subcategories Immunohematology Virology – Comprehensive (limited to molecular tests)
Blood Banking Collection – Limited	Blood Services – Collection - Autogeneic Only Immunohematology
Blood Lead	Toxicology – Blood Lead Comprehensive Toxicology – Blood Lead Screening Test Only Toxicology – Erythrocyte Protoporphyrin Trace Elements
Blood pH and Gases	Blood pH and Gases Hematology – Cellular Hematology (limited to hemoglobin and hematocrit tests only) Clinical Chemistry (limited to blood electrolytes)
Cellular Immunology – Leukocyte Function	Cellular Immunology – Leukocyte Function Cytokines
Cellular Immunology – Non-malignant Leukocyte Immunophenotyping	Cellular Immunology – Non-malignant Leukocyte Immunophenotyping
Cellular Immunology – Malignant Leukocyte Immunophenotyping	Cellular Immunology – Malignant Leukocyte Immunophenotyping
Clinical Chemistry	Clinical Chemistry – all subcategories Cytokines Oncology – Soluble Tumor Markers Toxicology – Blood Lead Screening Tests Only Toxicology – Erythrocyte Protoporphyrin Urinalysis Urine Pregnancy
Clinical Toxicology	Toxicology – Clinical Toxicology – Comprehensive Toxicology – Clinical Toxicology – Initial Testing Only Forensic Toxicology – Initial Testing Only
Cytogenetics	Cytogenetics - all subcategories
Cytopathology	Cytopathology Oncology – HPV Testing
Diagnostic Immunology	Cytokines Diagnostic Immunology – all subcategories Human Immunodeficiency Virus – General Human Immunodeficiency Virus – Screening Tests Only Mycology – Restricted (antigen detection) Urine Pregnancy Testing Virology – Restricted (antigen detection)
Endocrinology	Endocrinology (including andrologic endocrinology) Urine Pregnancy Testing
Fetal Defect Markers	Fetal Defect Markers

Director Certificate of Qualification Category*	Laboratory Permit Category*
Forensic Identity	Forensic Identity
Forensic Toxicology	Toxicology – Forensic Toxicology – Initial Toxicology – Forensic Toxicology – Comprehensive Toxicology – Clinical Toxicology – Comprehensive Toxicology – Clinical Toxicology – Initial Testing Only
Genetic Testing	Genetic Testing – all subcategories
Hematology	Genetic Testing – Biochemistry (limited to hemoglobinopathies) Hematology – all subcategories Cellular Immunology – Non-malignant Leukocyte Immunophenotyping (limited to non-flow methods) Toxicology – Blood Lead Screening Tests Only Toxicology – Erythrocyte Protoporphyrin Urinalysis
Histocompatibility	Histocompatibility – all subcategories
Histopathology	Histopathology – all subcategories
Oral Pathology	Histopathology – Oral Pathology
Dermatopathology	Histopathology – Dermatopathology
Dermatopathology – Mohs Testing	Histopathology – Dermatopathology (limited to Mohs testing)
Immunohematology <i>(Oversight of Immunohematology testing for Blood Services - Transfusion or Blood Services - Collection requires a certificate in Transfusion Services or Blood Banking Collection (Comprehensive or Limited) categories)</i>	Immunohematology
Mycobacteriology	Mycobacteriology – all subcategories
Mycology	Mycology – all subcategories Wet Mounts
Oncology – Molecular and Cellular Tumor Markers	Oncology – Molecular and Cellular Tumor Markers
Oncology – Soluble Tumor Markers	Oncology – Soluble Tumor Markers
Parasitology	Parasitology–all subcategories Wet Mounts
Parentage/Identity Testing	Parentage/Identity Testing
Therapeutic Substance Monitoring/Quantitative Toxicology	Therapeutic Substance Monitoring/Quantitative Toxicology
Trace Elements	Toxicology – Blood Lead Comprehensive Toxicology – Blood Lead Screening Test Only Toxicology – Erythrocyte Protoporphyrin Trace Elements
Transfusion Services	Blood Services – Transfusion Blood Services – Transfusion - Storage Only Immunohematology
Transplant Monitoring	Transplant Monitoring
Virology	Human Immunodeficiency Virus – Viral Identification Oncology – HPV Testing Virology – all subcategories

* Certificate and permit categories may be limited to specific subcategories, tests, and analytes as appropriate depending on training and experience of the applicant and/or the testing capabilities of the clinical laboratory.
