PART III – Handling of Reproductive Tissue

No changes to this section from current license.

A. Provide or submit a complete list of all reproductive tissue banks that provide tissue for artificial insemination or assisted reproductive procedures to the applicant. Include tissue banks responsible for donor qualification and selection, limited procurement (as defined in 52-1.1(ad)(2)), recovery and collection, processing, storage, and distribution (submit additional sheets if necessary):

B. Provide or submit a complete list, including a brief description, of equipment used for storage of reproductive tissue for artificial insemination or assisted reproductive procedures (submit additional sheets if necessary):

C. Submit standard operating procedures, as required by 52-3.5(a)(6), for recovery, collection, processing, temporary storage and distribution of reproductive tissue for artificial insemination or assisted reproductive procedures.

PART IV

I hereby affirm that all reproductive tissues from anonymous donors and directed donors used in artificial insemination or assisted reproductive procedures are obtained from tissue banks licensed by the New York State Department of Health Tissue Resources Program in the requisite categories.
