Proficiency Testing: Reports	12/17/14	1 of 2	328

The NYSDOH Wadsworth Center proficiency test (PT) program does not limit the usage of PT reports by individuals or organizations. The PT program only distributes PT reports to participants and organizations selected by the participant laboratory for distribution. The request must be made prior to the close date (i.e., “website submission” date) of each study. Refer to Item No. 327 for the instructions on how to distribute reports to other Accrediting Bodies. The PT program can be contacted at (518) 473-3383 or dehspt@health.ny.gov.

Proficiency Test reports can be viewed and printed from a secure website. A laboratory must have a NYSDOH Health Commerce System (HCS) / Health Provider Network (HPN) account to access the website. The website address is <https://commerce.health.state.ny.us>.

In order to view results, click on the link listed, “PT Reports” (Figure 1). Using the dropdown menu, select the appropriate “Shipment Type”. Finally, select “Go!” (Figure 2).
